

Allergy / Overdose Emergency Kit (Combined)

As part of the LiveSafer™ Modular First Aid System, this cabinet is dedicated specifically to Allergic Reaction (Anaphylaxis) to store Epinephrine, and Opioid* Overdose Emergencies to store Naloxone Nasal Spray.

This cabinet is non-locking and includes a top cabinet label indicating Allergy Emergency Kit, while the bottom label indicates Overdose Emergency Kit. Included are two Inner Red Cases with labels for each emergency kit, as well as 8.5" x 11" instruction sheets. The cases attach to the velcro back panel of the cabinet with included velcro dots.

With its slim design (only 4 inches deep) it won't obstruct pathways. Emergency supplies are kept conspicuous with the clear window display and are easily accessible.

**No Medication Included - We Sell Empty Cases/Cabinets and You Obtain Your Own Medication*
