

## Plastic Choking First Aid Case with Metal Hanger (Empty)

This mini suitcase style carrying case has a perfect Grab and Go design. It fits all known choking rescue devices but it is especially designed with a LifeVac label. It is made of high-quality resin for durability. Hang on the wall with Metal hanger for easy access. Includes 3D Wall Sign.

Plus, when your LifeVac is used in an emergency, you can get a free LifeVac replacement, and easily swap it in and out of this case.

*\*Cabinet sold empty. LifeVac or Choking Rescue Device not included.*
